

## **Pulse Listening: hearing CAUSE and Harmonizer**

***A Special Topic Class with Cynthia Broshi***

***August 5 - 7, 2022 (Friday - Sunday) in Santa Fe, NM***

**The Pulse** we listen to in Jin Shin Jyutsu is the Breath of Life. We are listening to the active creating of a microcosm, of a living Being. Working from the Pulse is the simple answer to the question, “**Which flow should I use?**” The Pulse speaks of Cause and Harmonizer.

In this 3-Day Class we will expand our **Imaginative Intelligence** through fun pulse-listening exercises that Cynthia has developed. Everyone will give and receive hands-on sessions daily.

**Proper technique** makes pulse-listening easier. This class will begin with the basics: “**How do I use my hands to best hear the pulse?**”

We will then build our **Awareness and Understanding** of the **song, dance, vision, anatomy, mathematics and magic** of the Pulse.

All of **Text 1 and Text 2** speak within the Pulse. We'll learn how to **hear and recognize:**

- ★ **Trinity Energy**
- ★ **Bustline, Waistline, Hipline**
- ★ **The 26 Safety Energy Locks**
- ★ **Textures and rhythms of the 9 Depths**
- ★ **The 12 Organ Function Energy**
- ★ **Direction of Energy Flow**
- ★ **Relationships of physical (*body*),  
emotion (*heart*),  
consciousness (*mind*),  
and the soul's journey (*spirit*).**
