

Akin to Spring-cleaning your house, an **Intensive** deeply clears and renews. Twice daily (or daily) sessions, for five or more days, the Intensive is an efficient route toward wholeness. It creates a space of deep rejuvenation, of coming back in touch with one's connection to the force of Life.

For students the Intensive is a journey of experience and Understanding in which KNOWing the **Art of Jin Shin Jyutsu** is deeply nourished. **Study hours** can be scheduled with Cynthia during the Intensive week(s) to energize and support this journey.

We offer a **Mentoring STC for Experienced Student-Practitioners** with Cynthia at our home each year.

**Mentoring STCs can also be arranged at other times for groups of 3 or more students.**
